"I am **Jim Gunnuscio**. Six years ago, I took a leave of absence from my job in medical sales and really evaluated what I was doing and why I was doing it. That is when I decided I needed to be a full time Chaplain. I love what I do and I feel it is an honor to be with an individual and their families at a very difficult time of their lives; I am so blessed by the families I meet I love fishing, gardening, and reading, and I have been married for 38 years to the most wonderful women in the world, MaryAnn. Together we have seven children, one of which passed away when she was only 5. We also have nine grandchildren."
